

Name of the Doctor:

Dr. DJS Tulla

Qualification:

MD

Designation: Consultant

Speciality: Plastic and Reconstructive Specialist / Cosmetic Surgery

Brief Profile:

Dr DJS Tulla is a young and dynamic plastic & cosmetic surgeon who has been trained in the illustrious Institute of Post Graduate Medical Education & Research (Cal). He has been a meritorious student throughout his medical career and was awarded the "Scroll of honor" for his academic achievements by His Excellency Shri Gopal Krishan Gandhi, the Governor of West Bengal.

He has special expertise in "non-invasive, minimally invasive and microsurgical procedures" which is the next generation of cosmetic surgery. Over the years he has devised his own innovative techniques in several surgical procedures which have won him accolades. He has presented his work in various conferences and workshops for which he has received critical acclaim.

He is a member of various Aesthetic associations like IAAPS, ASI, APSI, APSWB, CSI etc. Dr. Tulla feels privileged to have a profession that combines his interest in medicine and art. He is dedicated to seeking the best outcome for each patient. Careful attention to detail during surgery allows for naturally appearing results thereby avoiding the overdone operated look.
